Deep Dive into China's Influence in Australia; countering malign influence in ASEAN + the Pacific

Project Title	Deep Dive into China's Influence in Australia; countering malign influence in ASEAN + the Pacific
Project Summary	If you want to learn more about Chinese disinformation, cybercrime, and influence campaigns, look no further. Mission Australia is looking for help uncovering how China is increasing its foothold in Asia. Involves research, interviews with experts, and creative thinking.
Country	Australia

Project Description

Contribute to an ongoing policymaking debate, and get the chance to shape how the USG approaches China. Looking for enthusiastic future policy-makers with a deep interest in the Chinese Communist Party and a nuanced understanding of China's role in the world. Past interns have gone on to work for the U.S. government and for think tanks.
